### PLEASE NOTE

- You need not purchase winter wear if in summer months or summer wear in winter.
- Please remember to bring your son's prescription meds and any prescriptions.
- Please DO NOT bring expensive name-brand or designer clothes. It is our experience that these items are not wilderness friendly, and we take no responsibility for the wear and tear of such clothing. (Nicer weekend clothes are kept up on main campus in closet area.)
- Please DO NOT bring any of the following: CD player, tape player, CDs, video tapes or games, DVDs, personal game systems, alarm clocks, flashlights, magazines, computer or computer games, cellular phones, radios, or anything electronic not covered here. If any of these items are brought to camp, they will be sent home.
- Please do not bring or send candy. Sugar has an extreme effect on many kids.
- Students are not permitted to wear dark pants and dark jackets at the same time. We recommend jackets and sweatpants being light in color.
